## Gluten-free Declaration

Dear Customer,

Maya Gold Trading hereby declares that all our products are free of gluten.

Because the origins of our products are gluten-free, we hereby declare that Maya Gold Trading products do not contain gluten above 20ppm specified in the Regulation (EU) No 828/2014 for a gluten-free claim.

We are aware of the following points:

- All producers do not handle products containing gluten and keep Good Manufacturing Practices to avoid any risk of cross-contamination.
- In case, any gluten free product is transported together with gluten containing products shall be separated from each other.
- We avoid cross contamination of gluten free food by properly handling ingredients, if there is a common facility for gluten -free and gluten - containing ingredients to prevent cross contamination.
- Establish separate storage areas for gluten-free and gluten-containing ingredients.
